Updates for Hong Kong arrival

With the new **Hong Kong SAR government** announcement on the **lifting of compulsory quarantine** for travelers from overseas places with immediate effect. Kindly find the below requirements for arrival in Hong Kong.

Boarding requirements

- Fully vaccinated travellers (2 doses) are permitted for travel. Exemptions applicable to residents of Hong Kong and passengers with valid medical certificates
- Required negative Rapid Antigen Test (RAT) result conducted within 24 hours before departure
- Health declaration to be uploaded on https://hdf.chp.gov.hk/dhehd/?lang=en-us

Self medical surveillance and Test-and-go: More information, click here

- 3 days of self medical surveillance during which travelers have access to go out in the city but obliged to comply with **Amber Code** restrictions under the Vaccine Pass
- Followed by a 4 days of self-monitoring period (making it a total of 7 days observation period)
- "Test-and-go" arrangement implemented by Hong Kong International Airport

Day 0 Arrival	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Medical Surveillance				Self-Surveillance (Till 9 am)			
Amber Code (Till 9 am, Day 3)				Blue code			
				Daily RAT			
PCR Test		PCR Test		PCR Test		PCR Test	

Blue Code: No limit on access to public remises

Amber code: Limited access to public premises:

Allowed to take public transport, go to work, malls, and supermarkets, etc.

Banned from entering restaurants* bars, pubs, party rooms, fitness centers, beauty parlours, etc. and joining any mask-off activities

* Visitors can order take-away meals from restaurants or in-room dining from hotels.
