GO FIRST enters into an exclusive GSA with EaseMyTrip for their sales in Saudi Arabia

The agreement would mandate EaseMyTrip to be an official distributor, promoter, and marketer for passenger tickets in Saudi Arabia

New Delhi, December 05, 2022: GO FIRST, erstwhile GoAir has announced that it has signed an exclusive General Sales Agreement with EaseMyTrip, one of India's largest online tech travel platform to sell, promote and market passenger tickets and other services to passengers in Saudi Arabia effective from this month. To establish a fruitful commercial relationship and expansive grip within one of the biggest travel markets in Western Asia, EaseMyTrip will be extending operations of GO FIRST by opening an independent branded office and representing the airlines in Dammam & Riyadh, Saudi Arabia and other locations in an attempt to cater to the larger travel markets.

The three-year exclusive partnership deal provides an opportune time for both brands to expand and bolster their service range in Saudi Arabia. EaseMyTrip and its sweeping reach, comprehensive marketing interventions, and knowledge of the locals would help GO FIRST provide suitable schemes for Saudi tourists and locals, enhancing their experience. Furthermore, this association would necessitate all the other travel agents within the vicinity to create a purchase circuit from EaseMyTrip when they will be buying GO FIRST tickets from Saudi Arabia.

Articulately summing up the agreement, **Rikant Pittie, Co-Founder said**, "At EaseMyTrip, we understand that Saudi Arabia attracts millions of tourists every year, and the locals love to travel as well. It is a significantly crowded travel market that is yearning for a better travel experience. With our successful endeavours in most associations and businesses around the world, we want to enter the market here in Saudi Arabia and serve the tourists with utmost dedication. We are overjoyed to begin our journey as a GSA partner with GO FIRST, one of the most popular and affordable airline services in multiple international destinations."

Mr. Kaushik Khona, Chief Executive Officer, GO FIRST commented, "Saudi Arabia is a key market for us as we continue to expand internationally. We are pleased to partner with EaseMyTrip since the brand has been successfully catering to the travel needs of people globally and we are positive that this association will ease and enhance the travel experience of people travelling for work as well as leisure."
