**All times local. Flight schedules may be subject to changes due to regulatory reasons. Kindly note that only flights between Singapore and Kaohsiung, and flights between Kaohsiung and Osaka are available for purchase. Flights between Singapore and Osaka are not available for purchase as transit at Kaohsiung is currently not allowed.*

Scot will continue to adjust our network in response to the COVID-19 outbreak. More information can be found on [Scot's flight schedules](#).

Singapore to Mainland China Travel Requirements

From 28 August 2020, all passengers including Chinese nationals, departing Singapore for Mainland China must present a certified health declaration form or green "HS" health code issued by the Chinese Embassy in Singapore during check-in.

A COVID-19 nucleic acid test (NAT) is required as part of the submission to the embassy, and must be taken within 5 days before boarding.

For more information, please click [here](#).

Transit Restrictions into Mainland China Destinations

Due to regulatory requirements, transfers to all destinations in Mainland China are currently not allowed. More details on and during transit through Singapore can be found [here](#).

Book with Confidence

All new bookings made now till **30 November 2020** (inclusive) are entitled to a one-time free date change, to give passengers more confidence to plan ahead for their travels. More details can be found [here](#).

Precautionary COVID-19 Measures

We are committed to safeguard the health of our customers and crew and have taken proactive steps to implement [additional precautionary measures](#) to make travelling with Scot a safer experience.

Scot will continue to monitor the situation, as well as evolving regulatory guidance, and will review our procedures as required. Do visit [our website](#) for the latest announcements.

Should you have any further questions for us, do contact your local Scot office.

With Best Regards,
Scot Sales Operation Team
