

## Summer with Air France and KLM is on its way

Whether travelling for business or leisure, this summer your customers can choose from a total of 238 destinations worldwide\*. With even more direct Air France and KLM flights from Paris and Amsterdam we can bring your customer to wherever their business takes them.

Together with our transatlantic partners, Delta Air Lines and Virgin Atlantic, we offer complementary flight schedules that extend our network to 375 combined destinations. With the choice from 11 hubs across Europe, the United States and the United Kingdom, transferring to a connecting flight becomes easy.

### What's coming up?

In summer 2023, we are introducing two new destinations: Ottawa and Rennes. Air France will launch 5 weekly flights between Paris-Charles de Gaulle (CDG) and Ottawa (Canada), and KLM is introducing a direct daily service from Amsterdam Airport Schiphol to Rennes (France).

We always want to offer our customers more choice and flexibility in choosing the flight that best suits their schedule. Starting end of June, next to KLM, you can also fly with Air France to Dar es Salaam (Tanzania). Additionally, we are increasing flight frequency to several destinations in our already existing network like Quebec, China, Hongkong and Japan and continuing our flights between Paris-CDG and New York-Newark.

For a complete overview of our destinations on offer check out the Summer network maps for March 2023 until October 2023
