

Dear Trade Partner,

Greetings from InterGlobe Air Transport!

Jetstar Asia to move to T4 in Changi

Jetstar Asia will move from Singapore Changi Airport's Terminal 1 to Terminal 4. This announcement follows a request by Changi Airport Group (CAG), who are relocating airlines across its four terminals to better balance the increase in demand. The agreement follows a comprehensive joint study between Jetstar Asia and CAG to fully understand the implications that the move will have on its operations and the airline's opportunities for growth. Jetstar Asia will relocate to Terminal 4 by 25 March 2023, while Jetstar Airways is reviewing the best option for its operations given the significant amount of connecting passengers between the two airlines. More details to follow.
