

Jetstar Update

Dear Trade Partner,

Greetings from InterGlobe Air Transport!!

Soekarno-Hatta International Airport (CGK) Terminal Change

From 16 May 2023, Jetstar Asia (3K) will be operating to and from Terminal 2F at Soekarno-Hatta International Airport (CGK), Jakarta. Unless previously advised, there are no changes to our scheduled flight departure and arrival times.

To support the move from the current terminal to Terminal 2F, Jetstar Asia has put in place measures to provide an enhanced customer experience and a smooth transition between the terminals. If your customers have connecting flights, please advise them to allow extra time to travel to other terminals.

The new international passenger terminal building is located next to the existing passenger terminal building and is easily accessible via a free 24-hrs shuttle bus which operates between each terminal with a 15 minutes interval. Alternatively, passengers may opt to take the sky train* to transfer to other terminals.

*Sky train from Terminal 3 operates from 06:00-21:00 LT with approximately 25 minutes wait time.
