

## To Anyone Entering/Returning to Japan

# "Visit Japan Web" Service Please register using Fast Track

● Pre-registration will **facilitate quarantine procedures upon arrival in Japan**. Without pre-registration, you must have documents checked and answer a questionnaire upon arrival at the airport.

## How to Use Fast Track

### 1 Create/set-up Visit Japan Web account

Create a Visit Japan Web account from the link below.

Register your user information and schedule for entry/return to Japan.

### 2 Register for quarantine procedures (Fast Track)

From the schedule you entered, follow instructions on the Quarantine Procedures (Fast Track) screens to register:

Passport

Question  
naire

Vaccination  
Certificate \*

OR

Test  
Certificate \*\*

\*3 doses

\*\*COVID19 test less than 72 hours before departure

### 3 Complete registration, then review starts

The Quarantine Documentation Center will review what you have registered for quarantine procedures (Fast Track).

### 4 Review is completed

After the documentation review is completed, your Quarantine Procedures (Fast Track) status screen will change to blue.

**When you arrive in Japan, please show the quarantine officer your Fast Track screen.**  
**If you will not have a smartphone, please print the Fast Track review completion screen and bring a copy with you.**
