

Dear Trade Partners,

NOTICE DATE: 12/09/22

**Japan's "New Measures to Strengthen Border Control"**

**Please be advised that Japan's "New Measures to Strengthen Border Control Measures" is further revised and **A negative certificate is not required if you have a valid three-dose vaccination certificate from 07th SEP 22.****

➤ **Visa Holder**

**\*Although the entry of new foreigners has been eased, it is still mandatory to obtain a visa for new arrivals.**

**Please pay attention to this.**

**1a. New entry of foreign nationals**

Currently, foreign nationals/people who are willing to newly enter Japan need a visa newly issued by Embassies or Consulates or Consular Office of Japan with jurisdiction over the area in which the applicant lives or those with jurisdiction over the country of which the applicant's passport is issued depending on the purpose of their entry.

Refer to this link updated on 6SEP22: [https://www.mofa.go.jp/ca/fna/page4e\\_001053.html](https://www.mofa.go.jp/ca/fna/page4e_001053.html)
