

Dear Travel Trade Partner,

Due to the holiday rush at the airports, it may take longer than usual to reach the boarding gate for your flight.

To have a hassle free check-in experience we would like to inform that your passengers be asked to report latest 4 hours' prior departure at the Check-in Counters.

Please be informed that the check-in counters will close 75minutes before departure and boarding gates will close 30minutes before departure.

Thank you and Warm Regards
