

**Fly to Warsaw!**

**Europe's Best  
Destination 2023**

## **'LOT Polish Airlines' Hub-Warsaw Awarded Best European Destination in 2023**

Warsaw has won the award for Best European Destination in 2023. Poland's capital received 142 thousand votes within the 3-week voting period which is no surprise to those who know this beautiful city. Warsaw will now be known to travelers for its open green spaces, rich culture, breathtaking architecture, and close proximity to other major cities in Europe, making it the perfect destination for city-hopping.

Warsaw Chopin Airport is LOT Polish Airlines' hub which also facilitates travel to and from India. Chopin International Airport is a modern, one-terminal airport known for having hassle-free transfer experience, excellent duty-free bargains, comfortable lounges, and fine restaurants. All of LOT's long-haul routes are operated by the state-of-the-art B787 Dreamliner, offering unparalleled travel experience in 3 classes of service (Business, Premium, and Economy).

Star Alliance member LOT Polish Airlines connects Delhi and Mumbai with its hub airport Warsaw with 7 weekly B787 flights.
