

Pre-Arrival registration for Hong Kong

We have been receiving plenty of Pre-Arrival miss match cases, due to which passengers are going through a tough time at the airport. To avoid any last minute hassle for the passengers, we once again remind you to note the following.

- All **Indian nationals** require a **successfully completed Pre-Arrival** Registration (PAR) to travel to Hong Kong.
- The passenger details updated on the PAR form should be **as per the passport**.
- **Physical copy** of the PAR acknowledgment slip should be presented at the airport **in A4 size printout**.

Example:

- **Name of Passenger** : should be as per passport without spelling errors.
- **Place of issue** : should exactly match passport format (If passport only has city, only mention city on the PAR form; not city + state).
- **Date of issue & expiry** : should be as per the passport.
