

Scoot flying to 20 destinations in October 2020

Scoot is adding passenger flights to **Semarang in Indonesia** and **Tianjin in China** next month, for a total network of 20 destinations from Singapore during October 2020

Scoot is continuing the expansion of its passenger flight schedules in October 2020, confirming today that it will serve a total of 20 cities from Singapore. That represents the carrier’s largest network since flights were cut to a skeleton schedule of just two cities back in April 2020.
