

Updates from Scoot

Dear Trade Partners,

Scoot would like to draw your attention to our latest updates.

1. Stay-Home Notice (SHN) and Covid-19 Test Requirements

Singapore

From 18 January 2021, 2359hrs, all returning Singapore citizens and Permanent Residents from the United Kingdom and South Africa will be subject to an additional 7-day self-isolation at their place of residence, following their 14-day SHN at dedicated facilities. From 24 January 2021, 2359hrs, all travellers, including Singapore citizens and Permanent Residents, will have to take a COVID-19 PCR test upon arrival in Singapore. The prevailing Stay-Home Notice (SHN) requirements, including the PCR test at the end of the SHN, will continue.

Australia

From 22 January 2021 (local time at departure point), all passengers travelling to or transiting through Australia, must also provide a negative Covid-19 Polymerase Chain Reaction (PCR) test result, taken within 72 hours before their flight.

Please click [here](#) for more information on Travel Advisories.

2. Air Travel Pass

From 31 January 2021, 2359hrs, all visitors applying to enter Singapore under the Air

Travel Pass (ATP) must purchase travel insurance for COVID-19 related medical treatment and hospitalisation costs in Singapore, with a minimum coverage of SGD30,000.

Please click [here](#) for a list of available insurance products via SafeTravel website.
Please click [here](#) for more information on ATP.

Scot will continue to monitor the situation, as well as evolving regulatory guidelines. Do visit [our website](#) for the latest announcements.

Should you have any further questions for us, do contact your local Scot office.

With Best Regards,
Scot Sales Operation Team
